

ROW Adventures COVID-19 Code of Conduct Pledge

Courtesy and respect for others has always been an unspoken code of conduct for our group trip participants. While we are modifying many procedures to reduce the risk of infection, we recognize that we cannot control people's thoughts about the threat of COVID-19. Some may be concerned about contracting the disease, while others may not feel particularly cautious. Our goal is to create a trip atmosphere that both protects the health of all trip participants and provides a positive experience.

By joining a ROW Adventures' tour, it's important that every guest assumes personal responsibility for their own health and to help protect the well-being of their fellow travelers, ROW staff, and the places we visit. To assist us in this important goal, we are implementing the *COVID-19 Code of Conduct Pledge*.

Please complete and submit this form to your ROW Team Leader on the first day of your trip. Your participation on any of our trips requires your agreement to this Pledge.
